WHAT WE BELIEVE

~ That Jesus is the Son of God who became a man to die for the sins of the whole world; He was raised from the dead and ascended back to heaven; He is coming again. (1 Cor 15: 1-8)
 ~ That the Bible is the inspired word of God and is the only authority for our faith (what we believe) and practice (how we are to live). (2 Tim 3:16) ~ That every person has worth as a creation of God, but that all have sinned and fallen short of the glory of God. (Rom 3:23) ~ That forgiveness of sins, the promise of eternal life and an abundant life are available to those who believe that Jesus Christ is Savior and Lord. (Jn 3:16) ~ That those accepting Christ shall repent of sin, confess faith, and be baptized into Him. (Rom 10:9; Acts 2:38) ~ That the Church exists to provide for the spiritual growth of the people and to see that the Gospel is preached to everyone. (Eph 4:1-16) ~ That Jesus Christ will one day return to earth and reign forever as King of kings and Lord of lords. (1 Thess. 4:13-18)

“FROM PULPIT & PAPER”

Honey > Vinegar

Have you heard of this statement? “You can catch more flies with honey than with vinegar.” The meaning of it goes something like, “Reaching people by patience and gentleness works better than by arguments and confrontation.” Vinegar is sour. While you might catch some flies with vinegar, something sweet—like honey—works far better. People are like flies. We are drawn by kindness and love more so than by rebuke and correction.

This is a lesson I am learning more and more through pastoral ministry. I would have always said that kindness is the way, but I haven’t always known what that looked like. It’s one thing to know conceptually or academically that “mercy triumphs over judgment,” but it’s another thing to know what and how that looks relationally in normal, everyday life, with people who have real pain and struggle (Jas 2:13). I have had to learn, through my own sins and mistakes, that vinegar isn’t the best attractant. Honey works a lot better.

If you’ve been someone who has received vinegar from me when I should have given honey, I apologize and sincerely ask for your forgiveness. God is chipping away at my sins and immaturities. Despite myself, God is helping me mature relationally. Although the process is painful for those I have hurt, I trust that God is working in our midst. Thank you for being a part of my sanctification process. I need you. You need me. We need each other.

Hello men,

In a few weeks we will be starting back up our Tuesday morning study (6 a.m. in person or ONLINE). We are continuing the path we started last year of serious study and a challenge to each of us to grow in Christ (from new believer to seasoned saint).

During the past few years, the media has covered stories showing a true crisis of "real" biblical leadership. The moral and ethical falls of apologists, "cool/hip pastors," mega-church leaders as well as apostasy from so-called Christian authors, artists, and "comedians" ...the list goes on. How does this happen? How come so many of us were deceived by them? Where did the business of religion take over true faithfulness to God's Word and real servanthood to Jesus Christ?

We are not going to study another "pop" Christian book on "leadership techniques." But instead, look at true biblical leadership. John MacArthur has put together lessons from his Shepherd's Conference, in a book co-written with R.C. Sproul, John Piper, Steve Lawson, Paul Washer etc. It is entitled: The John MacArthur Handbook of Effective Biblical Leadership. There will be some great topics and great discussion (and always great coffee at Brent's). We will all be blessed as we grow together. More info coming later but if you or you know someone who's interested in joining us, let us know so we make sure we have enough books.

God bless and call us if you want to jump in:

Brent Dowling 280-6564

Community Bible Church
Friday, 4:30pm – 8:30pm
Saturday, 8:00am – 4:30pm

Shauna Letellier will speak on a select passage from the book of John. Come ready to laugh, make new friends, and leave invigorated to follow Jesus more. This event will be a wonderful opportunity to connect with other believers and gain a deeper understanding of God's word.

A variety of activities, such as breakout sessions, free time, a Q & A panel, and a creative presentation, promises fun and plenty of opportunity for fellowship. This event is open to all women 16 and older. Childcare is not available.

Register at the table by the Welcome Center or online beginning August 22nd through September 13th. The cost is \$35 per person, payable at time of registration. Refunds will be offered prior to September 13th.

There are plenty of volunteer opportunities to help bring this event to CBC ladies. Sign up at the Welcome Center. For more information, contact Carrie Trott at 406-868-5223.

SUNDAY MORNING SERVE TEAMS – TRY IT OUT, NO STRINGS ATTACHED

- ★ **Livestream/Lighting (Worship Tech):** Not as hard as it sounds or looks! Sit in the booth and observe if you are interested. No strings attached!
- ★ **Sound:** Did God gift you with an ear for music? Join us in doing sound for the worship services! We will train you. PLEASE consider checking it out.
- ★ **Video:** This is clicking on slides during the service. This isn't rocket science, we fully train everyone and sit with you until you are ready. Try it out!!
- ★ **Greeters:** This is a matter of showing your friendly face to all of those who come in the door, giving a warm hello and holding the door open for them. At this time we are not able to even have two people at each door without having people serve several times a month.
- ★ **Ushers:** Ushers hand out bulletins and help people find seats if needed. We currently have about 12 men who are on the usher team. We are rotating ushers about every three weeks, and we aren't able to cover when someone can't usher.
- ★ **Welcome Center:** Help people by answering questions and directing them to classrooms, etc. We have been unable to fully staff the Welcome Center for many months. Please let us know if this is something God is calling you to do.
- ★ **Nursery:** We have been very fortunate to have many volunteers step up to help with all our nursery needs! But, as people get busy it is necessary to make sure we have everything covered. It is especially difficult over the holidays to find people to serve. So if you are interested, please let us know!!

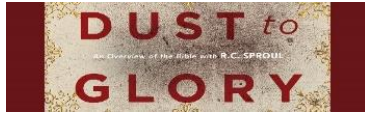

Like Singing? Play an Instrument?

Please consider sharing your gifts by joining the Worship Team. We are fun, and love to lead the congregation each Sunday in worshipping God. All ages are welcome!

New Sunday School Classes! Starting Today!

Led by: Joel Jundt/Kevin Hofer
Sanctuary

This study will explore the major themes, events, and people that are brought to life in the Bible. The study will engage students in biblical truth and is a starting point to help them understand the content of Scripture. Whether you are new to studying the Bible or want an overview of Scripture, *Dust to Glory* will provide you with new insights, improve your ability to read, understand, and apply Scripture to your life. We will start with the book of Genesis and travel the text to the book of Revelation over the course of a year. Participants do not need to commit to attend every class.

Led by: Chance Sumner
Room 201

If you're like me, you know that evangelism is both important *and* difficult. We need God to help us do it more. Come join this Sunday school to learn more together about evangelism—its biblical basis, theological foundations, apologetics, and how to do it. All are welcome.

Please sign up for classes at the Welcome Center!

New Sunday School Classes! Starting Today!

Led by: Kim Kahler
Room 200

A study of the Gospel of John, going chapter by chapter. Come learn about the man John, the relationship he had with Christ and how he knew Jesus. We will walk through the Gospel with the student John and the teacher Jesus.

Led by: Ron Duvall
Room 400

This Sunday School class will be a classic Bible study. Open your Bible, read the text, then discuss the meaning and application. Class participation is encouraged as we dive into God's Word. It is not intended to be a lecture. The Gospel of Mark is pastoral in nature with an emphasis for believers on the nature of discipleship in a difficult environment — what it means to follow Jesus in light of who Jesus is, what He has done and continues to do. This is Part 2 of the study beginning at Mark 5 with the goal of wrapping up by the end of the quarter.
